

Lehigh Valley Green Retail is a checkout donation program in Northampton and Lehigh County that allows patrons of participating local businesses to donate to enhance local trails and parks. All of the donations stay in the Lehigh Valley and are matched at a 1:1 ratio by local non-profits and municipalities through the Lehigh Valley Greenways Mini-Grant Program. This funding will have special designations so that donors will be able to see which Mini-Grant Projects have been funded through the Green Retail program. You can check out and plan to visit previous Mini-Grant projects [here on the interactive map](#). The Green Retail program launched in 2019 and has already seen donations come in. The first round of Mini-Grants with the Green Retail funding is expected to be awarded in 2021.

You can donate at the following local businesses:

- [Curt's Cyclery](#), 182 Bath Pike, Nazareth, PA 18064
